INITIAL MESSAGE

Dick Giza and Herb Romerstein will visit Headquarters this Monday afternoon for a session on Central America with reps from DDI/ALA. In order to make maximum use of their time, they would like a basic update on the Iran Program from someone in NE Division.

Herb has also requested a list of individual members of the World Peace Council which was amended in 1980. He already has a Presidential list as well as a record of officers.

The list of individual members may contain the names of several hundred people. [redacted] should be able to help you with this. Please advise ASAP.
